This is a decision on the petition under 37 CFR 1.137(b), filed December 15, 2004, to revive the above-identified application.

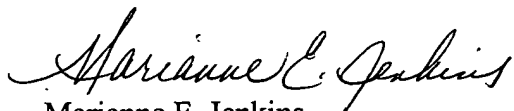

The petition is **GRANTED**.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of William S. Francos appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts.
